Your insurance cover

So you understand what you are covered for, please read this document, the schedule and the certificate of insurance carefully. You should pay special attention to the general terms, exceptions and conditions. If you have any questions, you should contact us or your insurance advisor.

Comprehensive cover – sections 1, 2 and 4 of this policy apply.

Third-party, fire and theft cover – section 1 applies for loss of or damage to the vehicle caused directly by fire, lightning, explosion, theft or attempted theft. Sections 2 and 4 of this policy also apply.

Third-party only cover – sections 2 and 4 of this policy apply.

The general exceptions and general conditions apply to all levels of cover.

Section 3 (windscreen cover) only applies if it is shown in the schedule.

Car sharing

You can accept payments as part of a car-sharing arrangement for giving people lifts for social or similar purposes. We will not treat these payments as charging fares as part of a business of carrying passengers as long as:

- a** the vehicle is not built or adapted to carry more than eight passengers (not including the driver);
- b** the passengers are not being carried as part of a passenger-carrying business;
- c** the total contributions you receive for the journey do not provide a profit; and
- d** the number of passengers (including the driver) is not more than the vehicle manufacturer's recommended limit.

Limits on use

The insurance only covers you if you use the vehicle in the way described in your certificate of insurance. We will not cover you for:

- a** any use connected with the motor trade, unless the use is described in your certificate of insurance;
- b** hiring out the vehicle for money; or
- c** racing or being in any contest or speed trial.

Description of drivers

Any person shown in the certificate of insurance can drive the vehicle. Where 'any driver' is shown, please see the schedule for any restrictions.

No-claims bonus

If no claim arises during the period of insurance, at the renewal date we will reduce the renewal premium in line with our no-claims bonus scale applying at the renewal date. You can ask for details of the no-claims bonus scale.

If a claim arises during any period of insurance, we will reduce your no-claims bonus as follows.

No-claims bonus	Reduced to
1 year	0 years
2 years	0 years
3 years	0 years
4 years	1 year
5 years or above	2 years

Although you can protect your no claims bonus, your premium may still be affected by any claims we pay.

We will not reduce your no-claims bonus as a result of claims for:

- claims made under Section 3 Windscreen cover;
- claims made under Section 4 Breakdown assistance;
- 1 claim for Fire or Theft in any one period of insurance; or
- payments (including costs and expenses) which we later get back in full.

If two or more claims arise in any period of insurance, we will reduce your no-claims bonus to zero at your next renewal.

You cannot transfer your no-claims bonus to anyone else and it may only be used on one vehicle at a time.

No claims bonus earned outside Ireland

We can accept no claims bonus documents from the Republic of Ireland, Northern Ireland, Great Britain, the EU, USA, Canada, Australia, and New Zealand.

If your no claims bonus has been earned outside of Ireland, we will contact the issuing insurer to confirm the document. If we cannot confirm the document through the issuing insurer, your no claims bonus discount may be removed and your premium increased. If the issuing insurer confirms the document is not valid, the policy may be cancelled.

Introductory bonus

If we have reduced your first premium using an introductory bonus, we will remove the reduction if a claim arises during the period of insurance. We will do this when you renew the policy. At that stage you can then start to earn a no-claims bonus for periods of insurance in which no claim arises.

If no claim arises during the period of insurance, the introductory bonus will apply when you next renew the policy and at every renewal date until the introductory bonus equals or is less than the no-claims bonus reduction which would apply. The no-claims bonus you get will only take account of the period of cover we have provided under this or other motor policies in your name.

Protected no-claims bonus

You can pay an extra premium for a protected no-claims bonus extension once you have earned a no-claims bonus of four years or more. You will keep that no-claims bonus as long as no more than one claim arises during the period of insurance for which the extra premium applies. Although you can protect your no-claims bonus, Protected No Claims Bonus protects the number of years No Claims Bonus and the discount you are entitled to for these years, but is not a guarantee that the premium will not change, your premium may still be affected by any claims we pay. This cover only applies if it is shown in your schedule of insurance.

General conditions which apply to the whole policy

These general conditions apply to all sections of this policy.

Where we refer to 'you' in these conditions, it includes your personal representative.

1. We will only have to make a payment under this policy if:
 - a all the answers in the proposal and declaration for this insurance are true and complete; and
 - b you or any insured person meets all the terms, conditions and endorsements of this policy; and
 - c you have proven you have an insurable interest in the vehicle being insured.

Cancellation

2. You may cancel the policy at any time by contacting your broker. You have a legal obligation to return your insurance certificate and disc when cancelling an insurance policy.

If you want to cancel your policy within the first 14 working days, we will refund your premium for any period of insurance remaining.

If you cancel your policy after the first 14 working days, we will refund your premium for any period of insurance remaining, less an administration fee of €50.

3. If you pay by instalments you have agreed to pay the premium on the due date, or dates, as set out in that agreement. If you do not make a payment on time, we can cancel the policy by sending you 10 days' written notice to your last known address. We will refund your premium for any period of insurance remaining.

If the amount you have paid at the cancellation date does not cover the premium, we have the right to recover the money that you owe.

If you cancel your policy after the first 14 days, we will not refund any optional windscreen cover.

We do not refund any amount which is less than €10.

All premium refunds may only be issued as long as we have received your certificate of insurance and insurance disc.

We may choose to cancel the policy, giving you a reason, by sending you 10 days' written notice by post or email. We will refund your premium for any period of insurance remaining less any optional windscreen cover. You must return to us immediately your certificate of insurance and insurance disc to avoid any action we may take against you to recover them.

Policy changes

4. You must:
- a let us know the details of any new or replacement motor vehicle before you buy or change vehicles;
 - b pay us any extra premium we may ask for as a result of the new or replacement vehicle; and
 - c let us know if you sell, dispose of or change ownership of the motor vehicle. All cover for the vehicle will end and you must return the certificate of insurance and insurance disc to qualify for any refund of premium which we may allow.

If you do not give us, and we do not confirm full details of the vehicle, the insurance will not apply to the vehicle and we will not be responsible for any accident, injury, loss, damage or liability arising as a result of any accident caused by or in connection with that vehicle.

5. You must tell us immediately about any material change to your policy, as that change may require us to reassess your cover or move you to a more suitable policy option. Examples of material changes include;
- a the main user of the vehicle changes;
 - b you or anyone covered by this policy are charged or convicted of a motoring offence or are notified of any pending prosecutions;
 - c you become aware of any medical or physical condition of any driver that may affect their ability to drive;
 - d you wish to use the vehicle for any use not currently included in your certificate of insurance.

This is not a full list and you should tell us about any change if you are not sure whether it is material or not.

When you tell us about a change, we may then reassess your cover. Certain changes may not be acceptable. If you do not tell us about any relevant changes, we may:

- i. reject or reduce your claim; or
 - ii. cancel the policy from the date of the change or the last renewal date, whichever is later.
6. If the terms of the policy change in any way, there may be an administration fee. Your administration fee is shown in your schedule of insurance.
7. We will not refund any amounts less than €10, and we will not charge any amounts which are less than €10 which arise as a result of a change to the risk.

Claims

8. a You must report any accident, injury, loss or damage involving the vehicle or any other motor vehicle which is insured under this policy to us immediately (or by the next working day). We may send you an incident investigation sheet which you must fill in and return as soon as possible.
- b In the event of loss of or damage to the vehicle as a result of theft, attempted theft or malicious damage, you must immediately contact the Garda and send us a copy of the Garda report. The report must say that the loss or damage was the result of theft, attempted theft or malicious damage.
- c You must also write and let us know as soon as you become aware of any current or future prosecution or inquest in connection with any event for which there may be any liability under this policy.
- d You, or any insured person must immediately send us any correspondence relating to any incident without signing or answering it. You, or any other insured person must co-operate fully with our investigations. You must never accept responsibility or offer or promise payment without our written permission.
- e We will be entitled to take over and carry out in your name (or in the name of any other insured person) the defence or settlement of any claim. We may prosecute, in your name or in the name of any other person (at our expense and for our benefit), to recover any amount we have paid. We will be able to decide how any proceedings or settlements are handled.
- f If you make a claim, we are entitled to instruct, and give information about you and your policy, to other people such as suppliers, private investigators and loss adjusters.
- g You, or any insured person must not do anything to harm our interests.
- h If you make a claim, we may appoint our own repairers to carry out any repair work.
9. If, at the time any claim arises under this policy, there is any other insurance covering the same accident, injury, loss, damage or liability, we will only pay our share of any loss, damage, compensation, costs or expenses.
10. If, under the law of any country, we have to make a payment which we would otherwise not have made under this policy, we may recover any payment from you or from the person who the claim was made against.

Duty of care

12. You or any insured person must:
- a take all reasonable steps to prevent accidents, injuries, loss or damage;
 - b protect the vehicle against loss or damage;
 - c give us access, at any reasonable time, to examine the vehicle;
 - d not leave the vehicle unlocked while unattended or leave the keys to the ignition (or device for the keyless entry system) with or near the vehicle while unattended; and
 - e make sure the vehicle is kept in a roadworthy condition and, if necessary, has a valid NCT certificate.

For example:

- the tyre tread depth must be within the legal limits;
- all lights and mirrors installed on the vehicle must be working properly; and
- the vehicle's brakes (front and back) must be working correctly.

Drink and drugs

13. We will not provide cover for any accident, injury, loss, damage or liability if:

- a you or any insured person is driving while unfit to do so due to alcohol or drugs;
- b you or any insured person is driving after drinking alcohol and, three hours after the accident, the amount of alcohol in the breath, blood or urine of the person driving is above the legal limit for driving; or
- c as a result of the accident you or any insured person is convicted of, or has a prosecution pending for, an offence involving alcohol or drugs.

If an accident happens under any of the above, then:

- i the cover provided in section 1 of the policy for loss of or damage to the insured vehicle will not apply;
- ii you or any person driving must repay all the amounts we have paid to cover any claims arising from the accident; and
- iii we may cancel your policy.

Fraud and misrepresentation

14. You and anyone else acting for you or insured under this policy may lose all rights or partial rights under the policy if you or they:

- a provide fraudulent or misrepresentative information for example, an incorrect address, no-claims bonus, date of birth, licence, occupation and so on when applying for, renewing or amending a policy;
- b makes or attempts to make a fraudulent claim or exaggerate a claim;
- c provide information to support a claim that is not true and complete;
- d provide false or stolen documents;
- e deliberately fail to tell us of some or all facts relating to a policy or claim;
- f make a claim for loss or damage caused by your or their deliberate or criminal act or omission or with your knowledge or involvement; or
- g If, after a claim has been made under this policy, you become aware of information that would either support or impact the validity of that claim you must disclose such information to us.

We may also attempt to obtain a prosecution against you or any person acting for you or insured under this policy. If you provide fraudulent or misleading information, misrepresent or exaggerate a claim or provide false or stolen documents, we may also tell An Garda Síochána, other law-enforcement agencies, other companies in the Generali Group, other insurers and their agents, credit-reference agencies, fraud-prevention agencies, government agencies, regulatory authorities and other organisations concerned with fraud.

Choice of law

- 15.** You and we may choose which law applies to this contract. Unless we agree with you otherwise, this insurance is governed by Irish law.

Vehicle laid up

- 16.** If the vehicle is laid up (off the road and out of use), we may suspend the insurance under sections 2 and 4 of this policy as long as you have returned the certificate of insurance and insurance disc.

We will refund up to 70% of your premium for the period when insurance under sections 2 and 4 is suspended as long as cover is suspended for at least 28 days in a row.

We do not refund any premium which is less than €10 after we charge the administration fee.

During any period where we have suspended the insurance, we will still insure the vehicle against loss or damage in line with the insurance cover provided under section 1.

Suspending cover

- 17.** We may suspend all cover provided by this policy as long as you have returned the certificate of insurance and insurance disc.

We will refund your premium for the period when the insurance is suspended as long as cover is suspended for at least 28 days in a row.

We do not refund any premium which is less than €10 after we charge the administration fee.

The 'vehicle laid up' and 'suspension' options can only apply within the current period of insurance. At the renewal date, the policy will automatically come into force again. If you pay by direct debit, we will continue to collect these instalments during the period the vehicle is laid up or cover is suspended.

At the end of the suspension or laid up period, any rebate due to you will be applied against the remaining direct debit instalments, with any surplus amount being refunded by cheque.

If you paid your premium in full, any rebate due to you at the end of the suspension or laid up period will be refunded to you by cheque.

Rights of recovery

- 18.** If the law requires us to pay a claim which would not otherwise have been covered by your policy, we reserve the right to recover that amount from you or the person on whose behalf we made the payment.

Currency

- 19.** All money paid under this policy will be paid in euros.

Language

- 20.** Your policy and all communications between you and us will be in English.

We will not provide cover for any of the following.

1. Any accident, injury, loss, damage or liability if the vehicle is being driven by or used for a purpose not described in the certificate of insurance.
2. We will not provide cover if the insured person is entitled to claim or is covered under any other policy.
3. We will not cover the driver unless;
 - a they hold a valid licence to drive the vehicle; and
 - b they meet the conditions and any limits of the driving licence.
 - c they are accompanied by a fully licenced driver at all times, if the driver holds a learner permit.
4. Any liability an insured person has under an agreement which they would not have had if the agreement did not exist.
5. Loss, damage or liability:
 - a directly caused by pressure waves from aircraft and other flying objects travelling at or above the speed of sound;
 - b caused by an earthquake or underground fire;
 - c caused by pollution or contamination, unless it is caused by a sudden, identifiable, unexpected and accidental incident which happens during the period of insurance;
 - d resulting from using the vehicle at any event during which the vehicle may be driven on a motor racing track, derestricted toll road (with no speed limit) or at any off-road event; or
 - e caused by using the vehicle in or on any area where aircraft normally land, take off, move or park.
6. We will not cover any loss, damage or legal liability directly or indirectly caused by:
 - a ionising radiation or contamination by radioactivity from any irradiated nuclear fuel or from any nuclear waste from burning nuclear fuel; or
 - b the radioactive, poisonous, explosive or other dangerous properties of any explosive nuclear equipment or any part of it.
7. We will not cover any loss or damage or legal liability caused directly or indirectly by war, riot, revolution, any act of terrorism or any similar event, other than where we must provide cover under the relevant road traffic legislation.
8. Any damage resulting from a deliberate act committed by you or any person insured under the policy.

9. Failure of computers and electrical equipment, information technology hazards and cyber risks

(i) Any loss or damage caused directly or indirectly from:

- a.** any personal and business computer, other electrical equipment, part or program failing to correctly recognise any date as its true calendar date; or
- b.** computer viruses; or
- c.** an information technology event.

(ii) Any direct or indirect loss, damage, liability, claim, cost or expense of whatsoever nature, including but not limited to any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any computer data and any amount pertaining to the value of such computer data, caused solely by a cyber act and / or a cyber incident.

Section 1 Loss of or damage to the insured vehicle

This section covers loss of or damage to the vehicle or its accessories and spare parts (whether on or in it, or in your private garage). We will choose whether to repair or replace the vehicle or any part of it or its accessories or spare parts, or pay to cover the amount of the loss or damage.

If replacement parts or accessories are not available or are out of stock from the manufacturer's European representative or agents, you will have to pay the extra cost of transporting them from elsewhere and any extra cost above the manufacturer's European parts list price.

If your vehicle is three years old or more, or if it has been imported, we may decide to repair it with parts which have not been made by your vehicle's manufacturer, but are of a similar standard. You must let us know immediately about any incident involving loss or damage to the vehicle. You must not pay or agree to pay any expenses to repair any damage without getting our authority beforehand. (Also see general condition 8).

If the vehicle is under a hire-purchase or leasing agreement, we may repair or replace the vehicle or pay the legal owner for any loss or damage. We will then have no further liability for the loss or damage.

Radio, audio and navigation equipment

For loss of damage to radio-receiving or transmitting equipment, audio equipment, electronic navigation or taxi metre permanently fixed to the vehicle, the most we will pay is:

- a** 5% of the value of the vehicle before the accident happened; or
- b** €635;

whichever is lower.

The policy does not cover the loss of or damage to mobile phones and their accessories or spare parts.

Charging Cables

We will cover loss or damage to your electric car charging cable, up to a limit of €500, we will not reduce your no-claims bonus for one (1) claim of this kind in any one period of insurance.

Total loss claims

A total loss is where the vehicle is no longer economical to repair, cannot be repaired or has been stolen and not found.

If the vehicle is a total loss as a result of damage covered under this policy, we will pay the market value of the vehicle immediately before the loss or damage happened. The market value of the vehicle will be based on our engineer's assessment with reference to industry guides. The most we will pay will be the value of the vehicle shown in the schedule.

New car replacement

If within 12 months of having bought the vehicle as new, it is damaged, provided there is not more than 25,000kms on the odometer, and the cost of repairs will be more than 60% of the manufacturer's list price, including taxes, we will replace it with a new vehicle of the same make and model. However, we will not pay for a replacement vehicle if the replacement cost is more than the market value.

We will only do this if a replacement vehicle is available in the Republic of Ireland and if you or the legal owner agree. If a replacement vehicle is not available, we will pay either the value declared by you or the market value of the vehicle immediately before the loss happened, whichever is the lower.

Accident recovery

We will also pay the reasonable cost of protecting the vehicle and moving it to the nearest repairer if, as a result of any loss or damage insured under this section, the vehicle cannot be driven. We will pay storage up to a maximum cost of €300. We will pay the reasonable cost of delivering it to you after the repair. However, we will not pay more than the reasonable cost of transporting it to your address, as shown in the schedule.

Loss of keys

If the car keys or lock transmitter of the vehicle are lost or stolen, we will pay the cost of replacing

- a the door and boot locks;
- b the ignition and steering lock; and
- c the lock transmitter;

The most we will pay is €850 in any one period of insurance. Please note that this cover is subject to an excess which is displayed in your Schedule.

Fire brigade charges

We will pay for local-authority charges (in line with the Fire Services Act 1981) for putting out a fire in your vehicle if the fire gives rise to a valid claim under the policy, or for removing the driver or passengers from your vehicle using cutting equipment. The most we will pay is €2,200.

Personal accident – *comprehensive cover only*

We will pay you (the policyholder) or your legal representative €6,500 if you are accidentally injured while travelling in or getting into or out of the vehicle and within three months this injury alone results in:

- a death;
- b permanent loss of sight in one or both eyes; or
- c loss of one or more limbs.

The most we will pay in any one period of insurance is €6,500.

We will not pay this benefit for:

- a any injury or death resulting from suicide or attempted suicide; or
- b anyone who is driving while unfit to do so due to alcohol or drugs at the time of the accident.

Medical expenses – *comprehensive cover only*

We will pay for medical expenses up to €135 for each person injured if the vehicle is involved in an accident as long as there is no cover in force under another motor insurance policy.

Hotel expenses – *comprehensive cover only*

If the vehicle cannot be driven after an accident or loss covered under section 1 of this policy, we will pay up to €65 for the driver (or €135 for all the people in the vehicle) towards the cost of hotel expenses for an overnight stop if this is necessary.

Hire car after theft – *comprehensive cover only*

This benefit does not apply to vehicles used for public or private hire (taxi or hackney).

If your vehicle has been stolen and is not recovered within 24 hours, we will provide a replacement car for up to ten days or until your car is recovered whichever is sooner.

It is your responsibility to make sure you meet the car hire conditions. These may include, but are not limited to, having a full driving licence without endorsements, paying a deposit by credit-card and returning the car to the pick-up point.

Once you tell us the registration number, the vehicle will be automatically insured under this policy. If the hire car is lost or damaged, we will decide how and where the car is repaired or replaced.

We will not pay for:

- a using the hire vehicle outside the territorial limits;
- b the cost of fuel;
- c collection and delivery charges;
- d any extra costs for using a car that is better than our standard hire car (our standard hire car is usually a class-A vehicle); or any costs where the hire car is not returned on time.

Courtesy car – *comprehensive cover only*

This benefit does not apply to vehicles used for public or private hire (taxi or hackney).

If your vehicle is repairable under this section of your policy, and if one is available, we may provide you with a courtesy car while your vehicle is being repaired by one of our recommended repairers. If your vehicle is not driveable but is repairable, we will aim to provide you with a courtesy car within three working days of accepting that you have a valid claim under this section of the policy. We will provide a car for up to a maximum of 10 days.

If your vehicle is declared a Total Loss, we will provide you with a courtesy car within 3 working days of accepting that you have a valid claim under this policy up to a maximum of 7 days.

It is your responsibility to make sure you meet the car hire conditions. These may include, but are not limited to, having a full driving licence without endorsements, paying a deposit by credit-card and returning the car to the pick-up point.

Once you tell us the registration number, the courtesy car will be automatically insured under this policy, if it is supplied by one of our recommended repairers. If the courtesy car is lost or damaged, we will decide how and where the courtesy car is repaired or replaced.

Exceptions to section 1

We will not cover:

1. loss of value, depreciation, wear and tear, mechanical, electrical, electronic, computer or computer software failure or breakdown;
2. damage to tyres caused by using the brakes or by road punctures, cuts or bursts;
3. loss of use or other indirect loss such as loss of earnings or travel costs;
4. damage to the vehicle or its accessories and spare parts caused by the contents or goods carried in or on it;
5. loss of or damage to personal belongings;
6. loss or damage as a result of deception or fraud;

Section 2 Liability to other people

Definition of 'insured person'

For the purpose of insurance under this section, an 'insured person' includes any one of the following.

1. You, the policyholder.
2. Any person driving the vehicle who is entitled to do so under your current certificate of insurance (other than any person in the motor trade driving the vehicle for the purpose of repairing or maintaining it).
3. The employer or business partner of any person whose business use is allowed under the terms of the certificate of insurance. This applies as long as the vehicle does not belong to that person and is not hired or leased by or to them.
4. Any person using (but not driving) the vehicle with your permission for social, domestic and pleasure purposes.
5. Any person travelling in or getting into or out of the vehicle.
6. The personal representative of any of the people named above (following the person's death) but only for the liability of the person who has died.

We will insure the insured person against legal liability for damages (including the related costs and expenses) for death or bodily injury to any person and damage to property arising as a result of an accident by or in connection with the vehicle.

We will not pay more than €30,000,000 for damage to property arising from any one claim or number of claims arising out of one cause.

Driving other cars

If your certificate of insurance says so, we will also cover you, the policyholder, for your liability to other people while you are driving any other private car which you do not own or have not hired under a hire-purchase or lease agreement, as long as:

1. the other private car is not owned by your spouse/partner/cohabitant or employer or hired to them under a hire-purchase or lease agreement;
2. you currently hold a full Irish, full United Kingdom (UK) or full European Union (EU) driving licence;
3. the use of the other private car is covered in your certificate of insurance;
4. there is a current insurance policy in place in another person's name that covers the other private car;
5. you are not covered under any other policy to drive the other private car;
6. you have the owner's permission to drive the other private car;
7. the other private car is not more than 15 years old;
8. the other private car is in a roadworthy condition and holds a valid NCT;
9. the vehicle is not being driven outside the territorial limits; and

10. you still have the insured vehicle and it holds a valid NCT and is in a roadworthy condition.

This extension applies while being driven within the territorial limits and only to private passenger cars. It does not include:

- vans;
- car-vans;
- crew cabs;
- jeep-type vehicles with no seats in the back;
- vans adapted to carry passengers; or
- any vehicles taxed commercially.

Trailers

We will extend the cover provided by this section to meet the requirements of the Road Traffic Act if you use any trailer which you own, have hired or have borrowed in connection with the vehicle insured under this policy. The terms, conditions and exceptions of the policy still apply.

Legal costs

We will pay for the following legal costs related to an event which is covered by this section.

- a Fees for a solicitor we appoint to represent you at a coroner's inquest or fatal accident enquiry.
- b Fees for legal representatives that we ask to defend you against a charge of manslaughter or causing death by careless or dangerous driving if we decide there is a reasonable chance of success.

Foreign use

Your policy provides the minimum cover you need by law to use the vehicle in:

- a any country which is a member of the European Union; and
- b any other country which has made arrangements to meet the minimum insurance requirements of the Commission of the European Union.

We will automatically extend this to provide your full policy cover (as shown in the schedule) for these countries for up to 93 days in any one period of insurance. The following cover does not apply while you are using your car abroad.

- Driving other cars (Section 2 - Liability to other people)
- Section 4 - Breakdown assistance

- a ask us to provide cover before the date you leave;

- c tell us which countries you are visiting; and
- d pay any extra premium necessary.

Certain requests may not be acceptable.

 - a any vehicle in connection with which we provide cover under this section;
 - b any trailer; or
 - c any mechanically-propelled vehicle which cannot be driven and is attached to a vehicle covered by this policy or any property carried in or on that trailer or mechanically-propelled vehicle.
4. We will not cover death or injury to any person which arises out of the course of their employment by any insured person, except where it must be covered under the Road Traffic Act.
5. We will not cover any claim resulting from carrying, preparing, selling or supplying of any goods, food or drink from the Insured Vehicle.
6. We will not cover death or bodily injury to any person while being carried in or on any trailer, semi-trailer or caravan, whether attached or not to the insured vehicle or any other vehicle covered by this policy.

8. We will not cover Death or Bodily injury to any person driving or in charge of the vehicle.

Section 3 Windscreen cover

This section only applies if it is shown in the schedule.

We will pay the cost of repairing or the cost (less the excess) of replacing damaged or broken glass in the windscreen or windows of the vehicle, as long as there has not been any other loss or damage.

Where an excess applies to your claim we will require payment of the excess by credit / debit card before the windscreen replacement will be carried out.

Claims under this section will not affect your no-claims bonus.

If you need your windscreen repaired or replaced, you should call our approved windscreen specialists on the number shown opposite. We will only carry out a repair if it is safe to do so. The decision on the safest option will be made by the glass technician. If glass needs to be replaced, our windscreen vendor will decide on the source of the replacement glass and will fit glass of no lesser quality to that already in the vehicle.

You must give the policy number when calling for assistance. If your policy cover can't be confirmed on the call and/or if an excess applies, your credit / debit card details will be required.

If there are any delays in obtaining replacement glass from the distributor, our approved windscreen specialists will carry out a temporary repair or replacement to safely protect the vehicle while we await the replacement glass.

We will need to confirm all claims before any repair or replacement work is carried out.
