Windscreen Cover – section 4 only applies if it is shown in the schedule.

Breakdown Assist – section 5 only applies if it is shown in the schedule.

Limits on use

The insurance only covers you if you use the vehicle in the way described in your certificate of insurance. We will not cover you for:

- a. any use connected with the motor trade, unless the use is described in your certificate of insurance;
- b. hiring out the vehicle for money, unless the use is described in your certificate of insurance; or
- c. racing or being in any contest or speed trial.

Description of drivers

Any person shown in the certificate of insurance can drive the vehicle. Where ‘any driver’ is shown, please see the schedule for any restrictions.

No claims bonus

If no claim arises during the period of insurance, at the renewal date we will reduce the renewal premium in line with our no claims bonus scale applying at the renewal date. You can ask for details of the no claims bonus scale.

If a claim arises during any period of insurance, we will reduce your no claims bonus as follows.

No-claims bonus	Reduced to
1 year	0 years
2 years	0 years
3 years	0 years
4 years	1 year
5 years or above	2 years

Although you can protect your no-claims bonus, your premium may still be affected by any claims we pay.

We will not reduce your no claims bonus as a result of:

- one claim for Fire or Theft in any one period of insurance;
- Windscreen claims made under Section 4 Windscreen Cover;
- payments (including costs and expenses) which we later get back in full.

If two or more claims arise in any period of insurance, we will reduce your no claims bonus to zero at your next renewal.

Any no claims bonus only applies to a vehicle (or replacement vehicle) insured for the full period of insurance.

You cannot transfer your no claims bonus to anyone else and it may only be used on one vehicle at a time.

Note: The no claims bonus scale does not apply to agricultural vehicles or special-type vehicles (for example, tractors or forklift trucks).

Introductory bonus

If we have reduced your first premium using an introductory bonus, we will remove the reduction if a claim arises during the period of insurance. We will do this when you renew the policy. At that stage you can then start to earn no claims bonuses for periods of insurance in which no claim arises.

If no claim arises during the period of insurance, the introductory bonus will apply when you next renew the policy and at every renewal date until the introductory bonus equals or is less than the no claims bonus discount which would apply. The no claims bonus you get will only take account of the period of cover we have provided under this or other motor policies in your name.

No claims bonus earned outside Ireland

We can accept no claims bonus documents from the Republic of Ireland, Northern Ireland, Great Britain, the EU, USA, Canada, Australia, and New Zealand.

If your no claims bonus has been earned outside of Ireland, we will contact the issuing insurer to confirm the document. If we cannot confirm the document through the issuing insurer, your no claims bonus discount may be removed and your premium increased. If the issuing insurer confirms the document is not valid, the policy may be cancelled.

Protected no claims bonus

If you have four or more years no claims bonus, you can pay an extra premium to protect your no claims bonus. You will keep that no claims bonus as long as no more than one claim arises during the period of insurance for which the extra premium applies.

Although you can protect your no claims bonus, your premium may still be affected by any claims we pay. This cover only applies if it is shown in the schedule.

Protected No Claims Bonus protects the number of years No Claims Bonus and the discount you are entitled to for these years, but is not a guarantee that the premium will not change.

General conditions which apply to the whole policy

These general conditions apply to all sections of the policy.

Where we refer to 'you' in these conditions, it includes your personal representative

1. We will only have to make a payment under this policy if:
 - a. all the answers in the proposal and declaration for this insurance are true and complete; and
 - b. you or any insured person meets all the terms, conditions and endorsements of this policy.
 - c. you have proven you have an insurable interest in the vehicle being insured.

Cancellation

2. You may cancel the policy at any time by contacting your broker.

You have a legal obligation to return your insurance certificate and disc when cancelling an insurance policy.

If you want to cancel your policy within the first 14 working days, we will refund your premium for any period of insurance remaining.

If you cancel your policy after the first 14 working days, we will refund your premium for any period of insurance remaining, less an administration fee of €50.

3. If you pay by instalments you have agreed to pay the premium on the due date, or dates, as set out in that agreement. If you do not make a payment on time, we can cancel the policy by sending you 10 days' written notice to your last known address.

We will refund your premium for any period of insurance remaining.

If the amount you have paid at the cancellation date does not cover the premium, we have the right to recover the money that you owe.

If you cancel your policy after the first 14 days, we will not refund any optional windscreen cover.

We do not refund any amount which is less than €10.

We will not refund any amounts less than the amount shown in your schedule of insurance. We will only refund any premium if we have received all the documents we need to carry out the alteration.

We may choose to cancel the policy, giving you a reason, by sending you 10 days' written notice by post or email. We will refund your premium for any period of insurance remaining less any optional windscreen cover. You must return to us immediately your certificate of insurance and insurance disc to avoid any action we may take against you to recover them.

Policy changes

4. You must:
- let us know the details of any new or replacement vehicle before you buy or change vehicles;
 - pay us any extra premium we may ask for as a result of the new or replacement vehicle; and
 - let us know if you sell, dispose or change ownership of the vehicle. All cover for the vehicle will end and you must return the certificate of insurance and insurance disc to qualify for any refund of premium which may be due.

If you do not give us, and we do not confirm full details of the vehicle, the insurance will not apply to the vehicle and we will not be responsible for any accident, injury, loss, damage or liability arising as a result of any accident caused by or in connection with that vehicle.

5. You must tell us immediately about any material change to your policy, as that change may require us to reassess your cover or move you to a more suitable policy option. Examples of material changes include;
- the main user of the vehicle changes;
 - you or anyone covered by this policy are charged or convicted of a motoring offence or are notified of any pending prosecutions;
 - you become aware of any medical or physical condition of any driver that may affect their ability to drive;
 - you wish to use the vehicle for any use not currently included in your certificate of insurance.

This is not a full list and you should tell us about any change if you are not sure whether it is material or not.

When you tell us about a change, we may then reassess your cover. Certain changes may not be acceptable. If you do not tell us about any relevant changes, we may:

- reject or reduce your claim; or
 - cancel the policy from the date of the change or the last renewal date, whichever is later.
6. If the terms of your policy change in any way, we may charge an administration fee.
7. We will not refund any amounts less than €10 and we will not charge any amounts less than €10 which arise as a result of a change to the risk. We will only refund any premium if:
- we have received all the documents we need to carry out the change.

Claims

8. a. You must report any accident, injury, loss or damage involving the insured vehicle or any other motor vehicle which is insured under this policy to us immediately (or by the next working day). We may send you an incident investigation sheet which you must fill in and return as soon as possible.

- b. In the event of loss of or damage to the vehicle as a result of theft or, attempted theft, you must immediately contact the Gardai. We will send you a theft report form, which we require to be completed by a Garda.
 - c. You must also write and let us know as soon as you become aware of any current or future prosecution or inquest in connection with any event for which there may be any liability under this policy.
 - d. You or any insured person must immediately send us any correspondence relating to any incident without answering it. You, or any other insured person must co-operate with our investigations. You must never accept responsibility or offer or promise payment without our written permission.

 - f. You or any insured person must not do anything to harm our interests.
 - g. If you make a claim, we may appoint our own repairers to carry out any repair work.
9. If, at the time any claim arises under this policy, there is any other insurance covering the same accident, injury, loss, damage or liability, we will only pay our share of any loss, damage, compensation, costs or expenses.
10. If, under the law of any country, we have to make a payment which we would otherwise not have made under this policy, we may recover any payment from you or from the person who the claim was made against.
11. We will be entitled to take over and carry out in your name (or in the name of any other insured person) the defence or settlement of any claim. We may prosecute, in your name or in the name of any other person (at our expense and for our benefit) to recover any amount we have paid. We will be able to decide how any proceedings or settlements are handled.

Duty of care

12. You or any insured person must:
- a. take all reasonable steps to prevent accidents, injuries, loss or damage;
 - b. protect the vehicle against loss or damage;
 - c. give us access, at any reasonable time, to examine the vehicle;
 - d. not leave the vehicle unlocked while unattended, or leave the keys to the ignition (or device for the keyless entry system) with or near the vehicle while unattended; and
 - e. make sure the vehicle is kept in a roadworthy condition and, if necessary, has a valid NCT or CRW (Certificate of Roadworthiness) certificate.

Drink and drugs

13. We will not provide cover for any accident, injury, loss, damage or liability if:
- a. you or any insured person is driving while unfit to do so due to alcohol or drugs; or
 - b. you or any insured person is driving after drinking alcohol and, three hours after the accident, the amount of alcohol in the breath, blood or urine of the person driving is above the legal limit for driving; or
 - c. as a result of the accident you or any insured person is convicted of or has a

prosecution pending for an offence involving alcohol or drugs.

If an accident happens under any of the above, then:

- i. the cover provided in section 1 of the policy for loss of or damage to the insured vehicle will not apply;
- ii. you or any person driving must repay all the amounts we have paid to cover any claims arising from the accident; and
- iii. we may cancel your policy

Fraud and Misrepresentation

- 14.** You and anyone else acting for you or insured under this policy may lose all rights or partial rights under the policy:
- a. provide fraudulent or misrepresentative information (for example, an incorrect address, no claims discount, date of birth, licence, and so on) when applying for, renewing or amending a policy;
 - b. make or attempt to make a fraudulent claim or exaggerate a claim;
 - c. provide information to support a claim that is not true and complete;
 - d. provide false or stolen documents;
 - e. deliberately fail to tell us of some or all facts relating to a policy or claim; or
 - f. make a claim for loss or damage caused by your or their deliberate or criminal act or omission or with your knowledge or involvement.
- g.** If, after a claim has been made under this policy, you become aware of information that would either support or impact the validity of that claim you must disclose such information to us.

We may also attempt to obtain a prosecution against you or any person acting for you or insured under this policy. If you provide fraudulent or misleading information, exaggerate a claim or provide false or stolen documents, we may also tell An Garda Síochána, other law-enforcement agencies, other companies in the Generali Group, other insurers and their agents, credit-reference agencies, fraud-prevention agencies, government agencies, regulatory authorities and other organisations concerned with fraud.

Rights of Recovery

- 15.** If the law requires us to pay a claim which would not otherwise have been covered by your policy, we reserve the right to recover that amount from you or the person on whose behalf we made the payment.

Choice of law

- 16.** You and we may choose which law applies to this contract. Unless we agree with you otherwise, this insurance is governed by Irish law.

Vehicle laid up

- 17.** If the vehicle is laid up (off the road and out of use), we may suspend the insurance under section 2 of this policy as long as you have returned the certificate of insurance and insurance disc.

We will refund up to 70% of your premium, for the period when insurance under section 2 is suspended, as long as:

- a.** no claim or loss has arisen during the current period of insurance; and
- b.** cover is suspended for at least four weeks in a row.

We do not refund any premium which is less than €30 after we charge the administration fee.

During any period where we have suspended the insurance, we will still insure the vehicle against loss or damage in line with the insurance cover provided under section 1.

Suspending cover

- 18.** We may suspend all cover provided by this policy as long as you have returned the certificate of insurance and insurance disc.

We will refund your premium, less an administration fee of €25, for the period when the insurance is suspended, as long as:

- a.** no claim or loss has arisen during the current period of insurance; and
- b.** cover is suspended for at least 28 days in a row.

We do not refund any premium which is less than €30 after we charge the administration fee.

The 'vehicle laid up' and 'suspending cover' options can only apply within the current period of insurance. At the renewal date, the policy will automatically come into force again. If you pay by direct debit, we will continue to collect these instalments during the period the vehicle is laid up or cover is suspended. At the end of the suspension or laid up period, any rebate due to you will be applied against the remaining direct debit instalments, with any surplus amount being refunded by cheque.

If you paid your premium in full, any rebate due to you at the end of the suspension or laid up period will be refunded to you by cheque.

Currency

- 19.** All money paid under this policy will be paid in euros.

Language

- 20.** Your policy and all communications between you and us will be in English.

We will choose whether to repair or replace the vehicle(s) or any part of it or its accessories and spare parts, or pay cash to cover the amount of the loss or damage. The most we will pay will be the market value of the vehicle immediately before the loss or damage happened, but not more than the value as shown in the schedule.

If the vehicle is a total loss as a result of damage covered under this policy, we will pay the market value of the vehicle immediately before the loss or damage happened. The market value of the vehicle will be based on our engineer's assessment with reference to industry guides. The most we will pay will be the value of the vehicle shown in the schedule.

2. damage to tyres caused by using the brakes or by road punctures, cuts or bursts;

Section 2 Liability to other people

Definition of 'insured person'

For the purpose of insurance under this section, an 'insured person' includes any one of the following.

1. You, the policyholder.
2. Any person driving the vehicle who is entitled to do so under your current certificate of insurance (other than any person in the motor trade driving the vehicle for the purpose of repairing or maintaining it).
3. Your employer or business partner as long as the business use is allowed under the terms of the certificate of insurance. This applies as long as the vehicle does not belong to that person and is not hired or leased by or to them.
4. Any person using (but not driving) the vehicle with your permission for social, domestic and pleasure purposes.
5. Any person travelling in, or getting into or out of the vehicle.
6. The personal representative of any of the people named above (following the person's death) but only for the liability of the person who has died.

We will insure the insured person against legal liability for damages (including the related costs and expenses) for death or bodily injury to any person and damage to property arising as a result of an accident by or in connection with the vehicle. (This includes loading and unloading the vehicle.)
